

Retractable II Double Sided Clamp Style

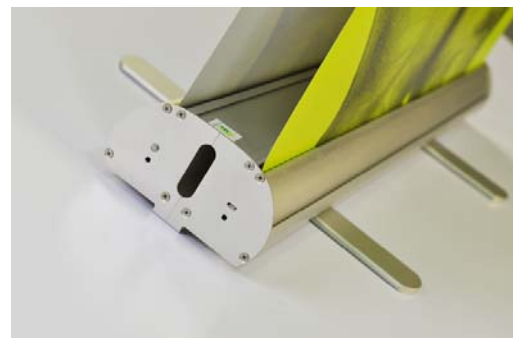

Features:

- Material: aluminum
- Lightweight and portable. Stable and sturdy.
- Displays double sided graphics.
- Reusable snap-lock profile, improved for easy change of graphics.
- End caps are split into two pieces to be fixed respectively with each roller, so as to avoid the possibility of the tension on two rollers failing simultaneously.
- Thick padding at both ends of the bag provides strong protection on transportation handling.
- Two solid aluminum feet provides enhanced stability.
- Colors available in silver or black.
- Padded nylon carrying bag with shoulder strap and plastic window.

Includes:

- Aluminum base.
- One stabilizing foot.
- One tri-fold aluminum pole with strong bungee cord.
- Snap-lock profile.
- Black padded bag with shoulder strap and plastic window.
- Individual cardboard box.
