

SNAP-IN GRAPHICS SUSPENSION BAR FROM DRYTAC

An Economical Way To Upgrade Suspended Graphics

Add a touch of class to any hanging sign or graphic with these elegant and economical brushed aluminum support bars. Simply open the suspension rail, insert the edge of the graphic and snap the graphic securely in place.

Drytac's New Snap-In Graphics Bar converts basic graphics prints in elegant suspended graphics in a snap. Simply open the rugged aluminum rail, line up the graphic against the guide and snap the image into place. Suspended from a ceiling or in a window, the stylish brushed aluminum finish provides upper and lower borders for the image while keeping the media straight and taught. Each set includes one upper bar, one lower bar, self-adhesive ceiling mounts and wire suspension loops.

Widths:

23-5/8" (60cm)

31-1/2" (80cm)

*Open rails and snap-in graphics...
it's that simple*

*Ideal for hang retail signage, window graphics
or any other type of suspended messaging.*
