EarthSmart™ Premium Bond is a heavy weight, matt coated bond paper for aqueous inkjet printers. 100% recyclable, it is ideal for poster prints and mounted graphics. Paired with a biodegradable laminate like our Interlam BioMatt or Interlam BioGloss and a green mount board like Xanita, you can create a completely recyclable, biodegradable graphic.

- Smooth surface
- Receptive to both pressure sensitive and heat-activated laminates
- High gamut value/high ink limit
- Water and erasing resistant
